Hi Ann

I do owe you an update. It was on my list of things to do this week. We had original promised ACAT that the PA would be completed by the end of November. Obviously we've missed that deadline and I don't anticipate having it completed until sometime in the spring of next year. I've been drafting a letter to ACAT explaining this and the reasons why. I wanted to discuss them with you as well. I'm out of the office today, but I can give you a call tomorrow.

Flint Hills Alaska Refinery : ACAT letter from May 21, 2010

Hi Brandon-

I've realized I only have a draft response from EPA to ACAT regarding the May 21 petition. Is it possible for you to send me an electronic copy of the final letter that got sent to them?

Also, I left a voicemail for you, but if you could call me sometime before Friday, that would be helpful. I have a briefing with our Commissioner and he wants an update on the EPA assessment.

Thank you for the help!

Ann
